MEMORANDUM FOR: DDS Member, Training Selection Board
DDI Member, Training Selection Board
DDP Member, Training Selection Board
DDS&T Member, Training Selection Board

SUBJECT : Selections for the Senior Seminar

1. In order to provide more information to the Training Selection Board in selecting participants for the Agency's new Senior Seminar, there is attached a set of papers covering various aspects of the Seminar. I believe that these papers, particularly the short discussion entitled Who Should Attend the Senior Seminar? will be most helpful in making selections.

2. Attachment F in the booklet--an outline of the content--is still undergoing evolution. Many of the topics listed in this paper will be covered in the Seminar, but some other subjects not identified in the paper will almost certainly be added. I believe however, that this paper will give each of you a pretty good grasp of the wealth of material and interesting subject matter which is being planned.

3. If you have questions, you may wish to call [REDACTED] on 25X1A extension 2200.

SIGNED

HUGH T. CUNNINGHAM
Director of Training
